ARTICLE II
NEGOTIATION PROCEDURE

- A. Both parties agree to negotiate in good faith as prescribed in Section 6-401, et seq., Education Article of the Annotated Code of Maryland. The parties agree to utilize the contents and format of the Agreement in effect as the basis for proposals for negotiation in the new Agreement. This is understood to mean that:
 - 1. Items in the existing Agreement, which remain satisfactory to both parties, would be continued as part of the new Agreement.
 - 2. Items in the existing Agreement which are believed in need of change, deletion, or addition by either party, may be the subjects of new proposals for negotiation.
 - 3. Items not included in the existing Agreement, but believed desirable for consideration in the new Agreement by either party may be proposed as additions to the existing Agreement.

Every effort will be made to begin negotiations concerning a successor Agreement by November 2, but in no event shall such negotiations begin later than December 2. All issues proposed for negotiations shall be detailed in writing and submitted by the Association to the Board or its delegated representatives not later than December 2. The Board shall submit in writing to the teacher representatives all additional issues upon which it wishes to negotiate no later than December 2.

In the absence of such consent, upon the request of either party, a panel shall be named to aid in the resolution of differences. Such panel shall contain three persons, one to be appointed by each party within three (3) days, and the third to be selected by the other two within ten (10) days from the date of said request. If the parties are unable to agree upon a third panel member or obtain a commitment to serve within a specified period, a request for a list of possible panel members may be made to the American Arbitration Association by either party. The parties will then be bound by the rules and procedures of the American Arbitration Association in the selection of the third panel member. The State Board of Education, or the panel selected, shall meet with the parties to aid in the resolution of differences, and, if the matter is not otherwise resolved, shall make a written report and recommendations within thirty (30) days from the date of said request. Copies of such report shall be sent to representatives of both the public school employer and the employee organization. All costs of mediation shall be shared by the public school employer and the employee organization.

- D. The rights and/or privileges granted to the Association will not be granted to any other teachers' group or organization during the term of this Agreement.

ARTICLE XXIV INSURANCE PROTECTION

- A. Life Insurance
The Board shall pay the full cost for group term life insurance protection equal to a teacher's base salary (to the nearest thousand), with a minimum of ten thousand dollars (\$10,000) to be paid to the teacher's designated beneficiary upon death, and, in the event of accidental death, a sum not less than two (2) times that amount.
- B. 84-85 Medical/Dental Program
 1. The Board shall pay ninety percent (90%) of the cost of a group medical, surgical and major medical insurance plan for each teacher and dependents, if any, as governed by the insurance carrier. A teacher may select any insurance coverage alternative as to dependents as provided in the plan currently offered by the Blue Cross, Blue Shield group insurance policy. The health insurance benefits included in the 1983-1984 plan shall be maintained.
 2. For each teacher enrolled, the Board shall pay ninety percent (90%) of the premium cost for an individual Blue Cross, Blue Shield Dental Program, Basic Benefits, Levels I, II, RIDER A, 100% UCR, no deductible. The teacher may elect to purchase dependent coverage.
- C. 86-87 Medical, Dental, Prescription Drugs, Vision Program

1. Employee Election of Variety of Insurance Programs (VIP)
 - a. in June - September, each employee will be required to make an election between participating in the VIP program or continuing his/her participation in the 1984-85 medical/dental programs.
 - b. This election will be irrevocable for the 1986-87 Plan Year.
 - c. Each following June - September, employees that are still participating in the current insurance arrangement will be given an opportunity to participate in the VIP Program.
 - d. Once an employee elects to participate in the VIP Program, he/she will not be allowed to participate in the prior insurance arrangement.
 - e. All new and/or rehired employees with a reporting date after June 30, 1985 will not have the opportunity to make this election, but will automatically participate in the VIP Program when eligible.
 - f. The 1984-85 insurance arrangement is defined as follows:
 - (1) The exact level of Blue Cross and Blue Shield or HMO medical/dental benefits in force under the 1984-85 (See B above). (Except the lifetime maximum for basic benefits plus major medical benefits will be \$1,000,000.) (No benefit improvements that are contained in the VIP Program)
 - (2) Employees electing the 1984-85 medical coverage will be required to contribute 10% of the individual and dependent premiums. Employee contributions for HMO coverage will be determined as prescribed by Federal regulations.

Employees electing to participate in the 84-85 Dental Plan will be required to contribute 10% of the individual premium and 100% of the dependent premium.
 - (3) All employee contributions will remain on an after-tax basis.
 - (4) Cost containment measure that will be added to the 84-85 medical plans.
 - (a) The admission review program
 - (b) Mandatory second surgical opinion program
 - (c) Outpatient surgery
2. Employee Selection of Optional Benefits under the VIP Program
 - a. If an employee elects to participate or becomes eligible to participate in the VIP Program, he/she must select among the optional benefits offered as part of the VIP Program. These optional benefits include:
 - (1) One of two Blue Cross and Blue Shield Medical Plans (see attachment) or one of several HMO options. One of the Blue Cross and Blue Shield plans is the current plan with several benefit improvements. The second Blue Cross and Blue Shield option is a less expensive plan that has deductibles applying to more services.

Both plans will feature the admissions review program, mandatory second surgical opinion program and outpatient surgery.

- (2) One of two Blue Cross and Blue Shield Dental Plans. One of the plans is the current Dental Plan. The second option is a plan featuring expanded coverage with small annual deductibles.
 - (3) Prescription Drug Plan with a \$2/prescription or refill deductible. Employees will be issued an ID card.
 - (4) Vision Care Plan with a 12-month benefit period (see attached)
 - (5) Dependent Child Care Assistance Plan.
 - (6) Health Care Spending Account.
 - (7) Benefit Dollars in Cash.
- b. The selection of optional benefits is an irrevocable election for the entire Plan Year except the election may be revoked and a new selection of benefits made if the employee has a change in family status (e.g., marriage, divorce, death of spouse or child, birth or adoption of child, or termination of employment of spouse). This applies not only to participation in the insured programs, but also to the level of participation in the Dependent Care Assistance Plan and the Health Care Spending Account.
- c. Each June - September, employees electing or eligible to participate in the VIP Program will be given the opportunity to change the benefits they have selected. Each year employees will be informed of any changes in the VIP Program. This will give each employee the chance to review and compare various benefit alternatives in order to make the proper selection in June -September.
- d. Each Medical Plan alternative (including electing no Medical Plan) will have a specified number of "benefit credits" associated with its selection. These benefit credits may be used to purchase any of the optional insured benefits (Prescription Drug, Vision and Dental Plans or employee contributions for medical coverage) or contribute to the Dependent Child Care Assistance Plan or Health Care Spending Account.
- e. Each insured benefit option (Medical, Prescription Drug, Vision and Dental Plans) will have a "price tag" or cost to an employee if that particular benefit is selected. Benefit credits may be used to purchase or pay the price of each insured's benefit selected. Amounts contributed to the Dependent Care Assistance Plan or Health Care Spending Account are optional with employees choosing to contribute any amount within the plan limits. Employees may, however, purchase benefits whose total price tags exceed their benefit credits. In this case, the employee must make up the difference through employee contributions. All employee contributions to the VIP Program will be on a pre-tax basis. This means that federal and state income taxes will not be withheld on employee contributions nor will these contributions

be included in an employee's gross wages as reported on W2 Form. FICA tax will be withheld. Employee contributions will be included in the annual salary for retirement and life insurance purposes.

- f. Participation in the Dependent Care Assistance Plan must be approved in advance of the effective date of coverage. An application to participate in this plan must be submitted by the employee and reviewed before approved. This is necessary to ensure that all employees participating in the plan meet certain requirements as prescribed by federal regulations. Contributions may only be used to reimburse an employee for expenses actually incurred during the Plan Year for which they were contributed. Any amounts remaining in the Dependent Child Care Assistance Account at the end of the Plan Year will be forfeited.
- g. The Health Care Spending Account will operate similar to the Dependent Child Care Assistance Plan. The most important facts are that amounts contributed may only be used to reimburse expenses incurred during the Plan Year for which they were contributed and amounts remaining at the end of the Plan Year will be forfeited.
- h. An employee may elect to receive their unused benefit dollars in cash, which will be added to their regular pay check. If the employee elects this option, the payments will be prorated on a per-pay basis. This amount is taxable.
- i. Total employee contributions and employer contributions to the Dependent Child Care Assistance Plan and/or Health Care Spending Account will all be prorated on a per pay basis.
- j. Employees hired during the Plan Year will make their selection in advance of becoming eligible for VIP Program benefits. This election will be in effect for the remainder of the Plan Year (except for a change in family status).

D. Cost Containment Provisions Contained in all Medical Plans

1. Admissions Review Program

Howard County Public Schools will implement an Admissions Review Program. Admission review is a program that predetermines, on a case-by-case basis, whether a hospital admission is really the best type of treatment. Even if an admission is found to be medically necessary, the program also strives to shorten hospital stays when medical justification is no longer indicated.

Before an employee enters the hospital for any care other than emergency or maternity conditions, the proposed admission must be reviewed for medical necessity. In addition, there is a list of 65 ambulatory procedures which physicians believe can be done safely and routinely on an outpatient basis. For these 65 procedures, unless there are documented extenuating medical circumstances which require an employee's hospitalization, inpatient benefits will not be provided. Pre-authorization for admission is required in such cases.

If an employee is hospitalized for nonemergency or nonmaternity care and does not obtain authorization prior to admission, benefits will be denied for room and board, related admission charges and medical services provided by a physician if the stay is determined to be medically unnecessary.

2. Mandatory Second Surgical Opinion Program

The Mandatory Second Surgical Opinion Program covers in full the cost of obtaining a second or third surgical consultation after your physician has recommended surgery for certain conditions. Related diagnostic services like X-ray and pathology services are also covered.

A second opinion will be required for a list of approximately fifteen procedures. If an employee's surgeon recommends one of these procedures, and he/she does not obtain a second opinion prior to surgery, the Plan's benefits will be automatically reduced 50%. In such cases, the difference between the reduced benefits and the usual and customary fee is not covered by Major Medical, but the employee is responsible for the difference. If the second or third opinion is obtained then the plan will pay 100% of current benefits.

3. Outpatient Surgery

The current Blue Cross and Blue Shield program pays hospital charges for outpatient surgery in full. Surgeons' fees are also covered if the surgery is performed in the outpatient department of a hospital. Physicians' charges, however, are restricted to \$150 per calendar year if the surgery is performed outside of a hospital. This restriction will be eliminated, ensuring that all outpatient surgery will be covered in full up to the usual and reasonable limits. Outpatient surgery will also be covered in full under the alternative Blue Cross/Blue Shield Plan. We hope this change will encourage employees to utilize outpatient services more often.

4. Prescription Drug Coverage

Because the School System will be sponsoring an optional Prescription Drug Program, it will be necessary to slightly alter how drugs are covered under the Major Medical program. Drug charges will only be covered to the extent that the expense is not covered by the optional drug program. Therefore, employees electing not to participate in the Drug Plan can continue to submit drug charges to Major Medical, but employees that do choose to participate in the Drug Plan will be limited to submitting the unreimbursed per prescription deductible.

5. Other Provisions

Important services already covered by our current program and will be in the VIP program that help contain rising health care costs if employees utilize them effectively are as follows:

- a. Pre-admission testing
- b. Home health care benefits

- c. Extended care benefits
- d. Hospice care

- b. Sunglasses (lenses tinted darker than #2 tint), even if prescribed -- unless you purchase a contract specifically covering sunglasses. Photocromic lenses are not considered sunglasses.

2. The details

- a. This Program provides paid-in-full benefits for services available from participating Ophthalmologists, Optometrists, and Opticians of your choice.
- b. The Select Vision Program provides full protection against the cost of basic vision services for your employees and their eligible dependents when they select specified eyeglasses from Participating Providers.
- c. Participating Providers accept the Schedule of Benefits amounts as payment-in-full for routine vision exams; specified frames; and single vision, bifocal and trifocal glass lenses.
- d. If a member chooses frames or lenses which are not part of the specified selection or obtains services from a nonparticipating provider, the member may apply the Schedule of Benefits amount toward the cost of the exam or eyeglasses.
- e. The Program entitles members to coverage of services once every 12 months, starting with the initial visit for vision services. To receive benefits, a Blue Shield Vision Service Report (claim form) must be completed either by the provider or the member and submitted to the Blue Shield Plan.

ARTICLE XXV
SICK LEAVE BANK

- A. All members of the bargaining unit on active duty in Howard County are eligible to contribute to a sick leave bank. Contributors will be permitted to apply for leave from the bank to cover regularly scheduled duty days for periods of personal illness, injury, or quarantine which is not only prolonged but is also catastrophic and incapacitating and which is not likely to permanently disable the teacher.
- B. The contribution on the appropriate form will be authorized by the member and continued from year to year until canceled in writing by the member. Cancellation, on the proper form, may be elected at any time and the member shall not be eligible to use the bank as of the effective cancellation date. Sick leave properly authorized for contribution to the bank will not be returned if the member effects cancellation.
- C. Contributions shall be made between July 1 and October 1. Members returning from extended leave of absence and new employees may contribute within thirty (30) calendar days upon reassignment or employment. Members returning from extended sick leave shall be permitted to contribute to the bank upon approval of the committee.
- D. Annual rates of contribution shall be a maximum of one (1) day per year as determined by the Association and certified to the Superintendent prior to July 1 of each year.
- E. Members shall be permitted to apply for leave from the bank after January 1, 1977. The maximum number of sick days that can be granted in any one fiscal year will be the remaining number of duty days a member is scheduled to work. In no case will the granting of leave from the bank cause a member to receive more than his annual salary.
- F. Members must use all accumulated sick leave and personal leave before receiving leave from the bank. Application for use of the bank shall be made on the required form and submitted to the approval committee.
- G. A three member approval committee, appointed by the President of the Association, shall have the responsibility of receiving requests, verifying the validity of requests, recommending approval or denial of the requests, and communicating its decision to the member and Division of Personnel. The committee shall develop its rules of procedure and shall give wide distribution to said rules upon approval of the Executive Committee of the Association.
- H. The Division of Personnel shall approve these bank grants as being for incapacitating illness and that sick leave is exhausted, and forward payment authorization to the Division of Payroll.
- I. Bank grants will not be automatically carried over from one fiscal year to another. All bank grants will end as of June 30 or the last duty day of the school year and must be renewed through the approval committee and the Division of Personnel each school year.
- J. If a member does not use all of the days granted from the bank, the unused sick leave bank days will be returned to the bank.

ARTICLE XXVI
GENERAL

If any provision of this Agreement or any application of this Agreement to any teacher or group of teachers is held to be contrary to law, then such provision or application will not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or application will continue in full force and effect.
- B. It is agreed that this Agreement includes all items to be requested by the Association for inclusion in the 1986-87 Board of Education Budget Requests.
- C. This Agreement shall continue in full force and effect from July 1, 1986 to June 30, 1987, and incorporate the entire understanding of the parties on all matters which were the subject of negotiations; and, during the term of this Agreement, neither party will be required to negotiate with respect to any matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement. This provision, however, in no way limits the implementation of the Grievance Procedure as set forth in Article III.
- D. The Association recognizes and accepts responsibility to adhere to existing policies of the Board of Education not modified or changed by the expressed terms of this Agreement.
- E. This Agreement may not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.
- F. Each member of the negotiating unit shall receive a copy of this Agreement. Reproduction of this Agreement shall be mutually agreed upon and cost shared equally by the Board and the Association.
